- Students will be placed in secondary school courses based on their PSLE Score – Express, Normal (Academic) or Normal (Technical).

SUBJECT-BASED BANDING (SECONDARY) [SBB (SEC)] ELIGIBILITY CRITERIA

- SBB (Sec) provides students posted to the N(A) and (NT) courses with **greater flexibility** to take various subjects at a more demanding level based on their subject-specific strengths and aptitudes.

- Under the new PSLE Scoring System, the SBB (Sec) eligibility criteria is as follows:

FOR STUDENTS OFFERED THE N(A) OR N(T) COURSE	
PSLE SUBJECT GRADE	OPTION TO TAKE SUBJECT AT
AL 5 or better in a Standard level subject	Express level
AL 6 or better in a Standard level subject **OR** AL A in a Foundation level subject	N(A) level

- As students progress in secondary school, they will continue to have more opportunities to take subjects at more demanding levels based on their performance in school.

CHOICE ORDER OF SCHOOLS WILL MATTER MORE

- Students continue to have **six choices** in selecting their secondary schools.

- Students will be posted to a secondary school based on **academic merit, i.e. PSLE Score**, and their **school choice rank order**.

- If two students with the same PSLE Score vie for the last remaining place in a school, the following tie-breakers will be used in the following order:

  1. **CITIZENSHIP**
  2. **CHOICE ORDER OF SCHOOLS**   **NEW!**
  3. **COMPUTERISED BALLOTING**

- The new tie-breaker based on school choice order recognises the different considerations that families have in making school choices.

Entry into affiliated schools from 2019

- MOE will reserve 20% of places in each course (Express, Normal (Academic) and Normal (Technical) at every affiliated secondary school for application from students who do not benefit from affiliation priority.

- Balance MOE's commitment to preserving our affiliated schools' longstanding heritage and ethos with ensuring all publicly-funded schools remain open to all students, regardless of background and connection

Secondary One Option

Affiliation benefits are applicable only when selecting ACS schools as **first choice**.

Affiliation Priority in new 2021 PSLE System

There is no change to affiliation policy in the new PSLE Scoring and S1 Posting systems

- For secondary schools that offer both O-level and Integrated Programme, <u>affiliation priority will only be given for the O-Level track</u>. Students are eligible for affiliation priority for the O-Level track if they indicate:
  - O-Level track as the first choice, <u>or</u>
  - IP track in the affiliated school as the first choice, and O-Level track in the affiliated school as the second choice.

- For the ACS family, where the primary school affiliates have two affiliated secondary schools, affiliation priority will **only** be given for the **ACS(I) 'O' Level Programme** and **ACS (Barker Road)** if you opt in one of the following ways:

Scenario	1st Choice	2nd Choice	3rd Choice
1	ACSI – 'O' Level or ACSBR Affiliation priority
